Scholarship grant tiers

100% tuition + boarding fees to students with very high (score 9)

75% tuition + boarding fees to students with very high (score 8)

50% tuition + boarding fees to students with very high (score 7)

Scholarship duration

Each award is expansively offered for the full duration of the student's education at the school, subject to meeting school expectations on academic progress and wider performance. Academic progress will be measured in Progress Tests in English, Maths and Science, which will be taken by all students. It is the school's view that all students will meet such expectations, year on year.
