A Haileybury Education

Haileybury Bhaluka offers a premium standard of boys' boarding education with the best international teachers educating enterprising learners within a world class campus.

School Fees 2024-25

The School Fee for the academic year 2024-25 is \$34,500 per annum to be paid in three equal instalments, termly in advance. This is a flat fee for Years 7-10.

Inclusions & Exclusions

The fee includes full boarding accommodation and meals, tuition and learning resources, during term time. It excludes school uniform and sports kit, additional tuition (e.g. for individual music lessons and SEND), personal digital devices, extra-curricular trips and expeditions, and public exam fees (as applicable).

Founding Academic Scholarships

For Founding Parents, the school has exclusive first year scholarships*. Scholarships are offered at the sole discretion of the Headmaster on academic merit, to be offered at the point of admission following entrance tests. The scholarship is offered on an annual basis, renewed where there has been defined evidence of strong pupil progress and attainment. Please see Information Pamphlet for further details.

Terms & Conditions

School Fees fall part of the contractual [Terms & Conditions of Haileybury Bhaluka](#) that parents receive and give their written consent to at the point of admission.

** A Scholarship is offered on the basis of academic performance at the sole discretion of the Headmaster. Haileybury Bhaluka does not require pupils to submit a separate application for an Academic Scholarship.*

An offer of a place will be made on the basis of the entrance examination results, a successful interview and satisfactory school reference, and where appropriate an Academic Scholarship will be offered too.

In this way we are able to recognise and reward the very best applicants. Applicants must sit their entrance examination at Haileybury Bhaluka to be considered for the Academic Scholarship.
